## Working Experiences

### **Ambermountain Creative House (Full time)**

*Project Manager & Content Creation ( June 2024-now)*

- Led end-to-end project management for multiple brand campaigns, ensuring all deliverables met timelines and creative standards.
- Oversaw project planning from concept to execution, defining objectives, milestones, resource allocation, and task distribution across creative teams.
- Acted as the main communication bridge between clients and internal departments, translating briefs into clear creative directions and ensuring smooth collaboration.
- Coordinated designers, photographers, and videographers to maintain workflow efficiency and consistent output quality.
- Supervised daily social media operations, including content scheduling, uploads, and alignment with brand tone and identity.
- Conducted quality control (QC) across all creative assets, checking visual accuracy, typo-free copy, design layout consistency, and color usage adherence to brand guidelines.
- Reviewed video materials before publishing to ensure proper scene order, pacing, and overall storytelling alignment with the campaign narrative.
- Evaluated footage selection, transitions, and audio sync to ensure each video met the creative brief and technical standards.
- Led brainstorming sessions and campaign planning to generate fresh creative ideas while keeping them aligned with client objectives.
- Monitored content and campaign performance (reach, engagement, insights) and presented data-driven recommendations for optimization.
- Organized internal review sessions, tracked revisions, and ensured all stakeholder feedback was accurately implemented before final delivery.
- Managed collaborations with KOL and external vendors, ensuring seamless integration within the overall campaign flow.

- Maintained detailed project documentation, including briefs, revisions, progress updates, and final reports to support accountability and post-project evaluation.
